Re: United States v. Dean Jones
07 Cr. 1081 (PAC)

Dear Judge Crotty:

I write on behalf of my client, Dean Jones, to request a brief extension of time to file a potential motion to suppress evidence. The Government consents to this request.

At the last conference, Your Honor set the following schedule: Defendant's motion due January 25; Government's response due February 8; Defendant's reply due February 13; and a hearing scheduled for February 19.

The parties continue to engage in discussions about a possible disposition, and depending on the resolution of those discussions, a motion may not be necessary. For this reason, we jointly propose the following amended schedule that still maintains the February 19 hearing date: Defendant's motion due February 1; Government's response due February 13; Defendant's reply due February 15.

Respectfully submitted,

David E. Paston
